TERM

This bright and airy split level home features a large foyer with picture windows above the main door, which offers lots of natural light. All 3 bedrooms are on the main level, with the ensuite master featuring French doors, which open onto the spacious back yard. The second bedroom also has this feature but shares a bathroom with the third bedroom. Two of the three bedrooms are outfitted with A/C and the washer dryer is neatly tucked away in a hallway closet. On the second level, there is an open style kitchen, which leads onto the expansive covered patio, complete with lounge chairs and an outdoor dining table. The T.V./ living room is just off the kitchen and also opens onto the patio, giving the house a spacious and open feel. This rental home is also available for extended stays with the option to include a rental car, in which case rates will vary.
