Welcome to Art Studio Unit 8. Perched on the second (top) floor, this newly renovated unit is nestled in the heart of Holetown and offers direct beach access. The open plan design offers generous closet space, airy interiors, a private patio, and is within easy walking distance to nearby amenities, including Limegrove Lifestyle Centre. The unit is also fully air conditioned, with modern appliances, free Wi-Fi, Cable TV, and free onsite parking. Outside, there is also a shared charcoal barbecue, perfect for al fresco dining, accompanied by beach chairs where you can relax and savor the stunning garden view, making it the perfect place for your next Barbados vacation. \*\*The former Discovery Bay Hotel which was situated adjacent to Art Studio Condominiums, has now been completely demolished and the site cleared. The site has been purchased by Blue Diamond Resorts who intend to build a new hotel on the site, construction rumored to commence in May 2024 and take approximately 2 years. To date, despite numerous requests to Blue Diamond regarding the start date and details of the new hotel, no information has been received. Enquires have been made with the construction Company who have been retained to carry out the redevelopment work. They have said that due to new build building techniques which will be
