SALE

Presenting an impressive, architect-designed 3-bedroom, 3.5-bathroom 2-storey home for sale, located on approximately 9,500 sq. ft. of professionally landscaped gardens in the heart of Barbados. Crafted 12 years ago by the Caribbean's acclaimed architect Mervyn Awon, this residence stands as a masterpiece of contemporary living. The main floor features an open-plan living/dining area that seamlessly extends onto a large, breezy patio and verandah with distant sea views. A modern Italian kitchen and a convenient storage room add sophistication and functionality to the living space. Natural light floods the interiors, creating a bright and inviting atmosphere. The lower level, spanning 700 sq. ft., was thoughtfully conceived as a recreation room with a washroom, providing versatility for use as a self-contained studio, guest suite, or home office with a separate entrance. Designed for comfort in the Barbadian climate, the property boasts excellent breeze flow due to its orientation. Humidity tubes in the walk-in closet and air conditioning in the main and third bedrooms further enhance the living experience. The meticulous landscaping by Richard Colon adds to the overall charm of the property, complementing the pleasant views from various vantage points. The layout also accommodates the addition of a swimming pool, offering potential for
