SALE

This executive, well-appointed family home has the privileged position of an elevated plot overlooking the west coast of the island. On the ground floor, there is a family room which opens out to a covered terrace overlooking the pool deck and lush landscape. There is a formal dining room that adjoins a kitchen and also has an entrance out to the covered terrace. Down the hall, there is an office. On the other side of the kitchen there is a powder room and down a few steps are the laundry room and an external door leading out to an enclosed garage. Upstairs leads to all four (4) bedrooms. The first of which is the master suite which is to the right of the landing. It comprises of a spacious bedroom area characterized by its shutter windows, it has a walkthrough closet space which leads to a large ensuite bathroom. This bathroom has a his and hers shower with double jets and also has a double vanity. This suite also has access out to a patio which overlooks the grounds below and the Caribbean Sea in the distance. To the left of the primary suite are 2 almost identical bedrooms, which share a Jack and Jill bathroom. They also share another semicircular patio overlooking the rear. Upstairs, towards the front, there is a room which is perfect as a family room, it was previously used as a gym and can also be converted to a 4th bedroom if desired. The property is
