This property is quite a tropical oasis, just an 8-minute drive from the many amenities of Holetown. It is nestled amidst lush well-manicured gardens and is extremely homely and inviting. The main entrance leads into an open plan living and dining area, adjoining which is a vibrant Caribbean blue U-shaped kitchen. It comprises a built-in dishwasher, oven, stove top and extractor fan along with ample cupboard and counter space. The master suite is located to the right of the living space and is large enough for a king size bed. The walk-in closet has ample hanging and drawer space while the bathroom features a jacuzzi and shower. The master suite opens out to a Romeo & Juliet balcony overlooking the pool deck that can be used as a nice reading nook. It is a cute feature of the covered terrace, which has a wet bar and lounge area and leads out to the pool and beautifully manicured grounds. To the left of the living space there is a powder room, office and laundry area. A small stairwell with storage leads upstairs to bedrooms 2 & 3 which share a bathroom with shower. They both have AC units and can hold queen size beds. In this wing, on the ground level, there is an access door to a two-car garage and there is additional parking for visitors. This property is fully enclosed with a large gate and a small pedestrian access gate off to the side. Although this property is
